NORTH PARK CENTER | DALLAS

A NOTE FROM RICHARD EISEMAN

With gratitude, the family of professionals who comprise Eiseman thanks you for your friendship and patronage.

Celebrating our 50th year anniversary, the opening of our Rolex store, and the renovation completion of the new Eiseman space would not have been possible without the extraordinary efforts of our team!

Often I'm asked "What would your father think of Eiseman today?" and our whole family would concur with him that the gracious, thoughtful dedication to all our relationships remains most important, and our growing commitment to philanthropy, combined with the beautiful new space showcasing exciting new collections of jewelry and timepieces, would thrill him! Under his watchful eye we remain steadfastly committed to his guiding principles of integrity, service and value.

Please enjoy the exciting designs in the pages that await you. This year we introduce three outstanding Italian designers to our jewelry collection, Roberto Coin, Gucci and Oromalia, as well as Audemars Piguet and IWC to our timepiece selection! Additionally, many of the highlighted jewels featured here are one of a kind and will give you a glimpse of the expanded selection that awaits you in our new Salon. As always we offer valet parking, as well as personalized service to you wherever you request.

Thank you.
