A NOTE FROM RICHARD EISEMAN

Reflecting on the past year and the milestones of a completely redesigned store, a new website and the celebration of our golden anniversary, the true mission of Eiseman Jewels comes into focus, which draws many parallels with our home for over half a century – NorthPark Center. Together Eiseman Jewels and NorthPark endeavor to bring the best of luxury to North Texas with an unwavering commitment to our community. As we grow and improve, we remain steadfastly mindful of our ideals of tradition, style, expertise, value, service and philanthropy.

With an eye on 2016 and beyond, we look forward to continuing to serve you while being ever-mindful of the responsibility we have to our outstanding community.

Thank you.
