Eiseman Jewels

It's no wonder proprietor Richard Eiseman was inducted into the

National Jeweler's Retail Hall of Fame this year. He still runs his company on the basic principles his parents started it with 46 years ago: integrity, value, service, and quality. Customer relationships are key, as is having a friendly, educated staff and, of course, exquisite jewels. Exclusive agreements with a variety of designers make Eiseman's selection one of a kind. *514 NorthPark Center. 214-369-6100.*
